Victoria Gordon Bio:

Victoria Gordon is currently a grade 8 student at Our Lady of Mount Carmel Elementary Junior High School, where she is an honors student and member of the MTC Hockey Academy. Victoria has been attending the MTC Hockey Academy since her grade 4 year. As well as playing for her Bantam hockey team she is a member of the MTC senior girl's volleyball, soccer, basketball, badminton, and track and field teams. In her spare time understand Victoria likes to play sports, workout, read, listen to music and hangout with her friends. Victoria's inspiration is her brother Arthur Gordon; he is currently attending the Gunnery School in Hartford Connecticut, where he is playing Division 1 Men's Hockey. After grade nine Victoria is planning on attending a prep school in the U.S. There she will continue her education and play

hockey. After high school Victoria would like to go to Yale or Princeton to study law and play hockey.

Testimonial:

"I continue to attend Mount Carmel because the teachers are great, and my instructors are always there for me, the school is like my home away from home. When I am busy with hockey and family outside of school my instructors Mr. Beck and Mr. Laforge understand when I need a break just to catch up on my homework. Another thing I like about Mount Carmel is that the school is small which has given me more one on one time in the classroom and on-ice where we get to focus on improving our hockey skills".

Louis St. Laurent High School Hockey Academy

Marc McCoy

Marc McCoy is a 16 year old honor student in his second year at the Louis St. Laurent Hockey Academy. He was selected by the Red Deer Rebels in the 2009 WHL bantam draft and played the 2010/2011 season with the Southside Athletic Club Midget AAA team.

The 6'2", 184 lb. center sniped 12 goals and garnered 37 points in 30 games and picked up a further 6 points in five playoff contests. He was named an Alberta Midget Hockey League North Division first team all star and he was a major contributor as his team won the championship of the prestigious Calgary Mac's tournament where he was also named to the Mac's second all star team.

The Athletics went on to finish in first place in the North Division after which Marc was called up to join the Red Deer Rebels for their 2010/2011 WHL playoff run.

"I attribute much of my success to the outstanding on-ice coaching staff and off-ice instructors at the L.S.L. Hockey Academy." says McCoy. "They have been very supportive and really helped me improve key aspects of my game. It has been a positive experience and a lot of fun too."
Marc McCoy

"You are a 'coaches dream' Marc: Coachable, committed, hard working, a great attitude, and a desire to getting better!

Thanks for that!"
